

# Perfect Harmony February Lyrics

## L-O-V-E

L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore and

Love is all that I can give to you

Love is more than just a game for two

Two in love can make it

Take my heart and please don't break it

Love was made for me and you

L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore and

Love is all that I can give to you

Love is more than just a game for two

Two in love can make it

Take my heart and please don't break it

Love was made for me and you

Love was made for me and you

Love was made for me and you

# Heart and Soul

Heart and soul, I fell in love with you

Heart and soul, the way a fool would do, madly

Because you held me tight

And stole a kiss in the night

Heart and soul, I begged to be adored

Lost control, and tumbled overboard, gladly

That magic night we kissed

There in the moon mist

Oh! but your lips were thrilling, much too thrilling

Never before were mine so strangely willing

But now I see, what one embrace can do

Look at me, it's got me loving you madly

That little kiss you stole

Held all my heart and soul

# Can't Help Falling in Love

Wise men say

Only fools rush in

But I can't help falling in love with you

Shall I stay?

Would it be a sin

If I can't help falling in love with you?

Like a river flows

Surely to the sea

Darling, so it goes

Some things are meant to be

Take my hand

Take my whole life too

For I can't help falling in love with you

Like a river flows

Surely to the sea

Darling, so it goes

Some things are meant to be

Take my hand

Take my whole life too

For I can't help falling in love with you

For I can't help falling in love with you

# Misty

Look at me, I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud, I can't  
understand

I get misty, just holding your hand  
Walk my way, and a thousand violins begin to play  
Or it might be the sound of your hello,  
that music I hear

I get misty, the moment you're near  
You can say that you're leading me on  
Don't you notice how hopelessly I'm lost  
That's why I'm following you  
On my own, would I wander through this  
wonderland alone

Never knowing my right foot from my left, my hat  
from my glove

I'm too misty, and too much in love

I'm too misty, and too much in love

# Let Me Call You Sweetheart

Let me call you sweetheart,

I'm in love with you

Let me hear you whisper

That you love me too

Keep the love-light glowing

In your eyes so true

Let me call you sweetheart,

I'm in love with you

Let me call you sweetheart,

I'm in love with you

Let me hear you whisper

That you love me too

Keep the love-light glowing

In your eyes so true

Let me call you sweetheart,

I'm in love with you
