

Perfect Harmony March Lyrics

Let's Face the Music and Dance

There may be trouble ahead

So while there's moonlight and music and love and
romance

Let's face the music and dance

Before the fiddlers have fled

Before they ask us to pay the bill. While we still
have a chance

Let's face the music and dance

Soon, we'll be without the moon

Humming a different tune - and then...

There may be teardrops to shed

So while there's moonlight and music and love and
romance

Let's face the music and dance.

Before the fiddlers have fled
Before they ask us to come up with the bill. While
we still have got the chance
Let's face that music and dance
Soon, we'll be without the moon
Humming a different tune - and then...
There may be teardrops to shed
So while there's moonlight and music and love and
romance
Let's face the music and dance, dance.
Let's face the music.
Look at that music.
Why not face the music and dance?

Cheek to Cheek

Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing, cheek to cheek

Heaven, I'm in heaven
And the cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing, cheek to cheek

Oh, I love to climb a mountain
And to reach the highest peak
But it doesn't thrill me half as much
As dancing cheek to cheek

Oh, I love to go out fishing
In a river or a creek
But I don't enjoy it half as much
As dancing cheek to cheek

Dance with me
I want my arm about you
The charm about you
Will carry me thro' to Heaven

I'm in Heaven

And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing cheek to cheek

The Best Things Happen While You're Dancing

The best things happen while you're dancing

Things you would not do at home

Come naturally on the floor

For dancing soon becomes romancing

When you hold a girl in your arms

That you've never held before

Even guys with two left feet

Come out alright if the girl is sweet

If by chance their cheeks should meet while dancing

Proving that the best things happen while you dance

Shall We Dance

Shall we dance?

One – two – three

On a bright cloud of music shall we fly?

One – two – three

Shall we dance?

One – two – three

Shall we then say "Goodnight and mean "Goodbye"?

One – two – three

Or perchance,

One – two – three

When the last little star has left the sky,

One – two – three

Shall we still be together

With our arms around each other

And shall you be my new romance?

One – two – three

On the clear understanding

That this kind of thing can happen,

x x x

Shall we dance?

x x x

Shall we dance?

x x x

Shall we dance?

Shall we dance?

One – two – three

On a bright cloud of music shall we fly?

One – two – three

Shall we dance?

One – two – three

Shall we then say "Goodnight and mean "Goodbye"?

One – two – three

Or perchance,

One – two – three

When the last little star has left the sky,

One – two – three

Shall we still be together

With our arms around each other

And shall you be my new romance?

One – two – three

On the clear understanding

That this kind of thing can happen,

x x x

Shall we dance?

x x x

Shall we dance?

x x x

Shall we dance?

Dancing Queen

Ooh

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

Friday night and the lights are low

Looking out for a place to go

Where they play the right music

Getting in the swing

You come to look for a king

Anybody could be that guy

Night is young and the music's high

With a bit of rock music

Everything is fine

You're in the mood for a dance

And when you get the chance

You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah
You can dance
You can jive
Having the time of your life
Ooh, see that girl
Watch that scene
Digging the dancing queen
You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance
You are the dancing queen
Young and sweet
Only seventeen
Dancing queen
Feel the beat from the tambourine, oh yeah
You can dance
You can jive
Having the time of your life
Ooh, see that girl
Watch that scene

Digging the dancing queen
Digging the dancing queen

See that girl
Watch that scene
Digging the dancing queen
